

NDA Tasmania

Merry Christmas everyone!

We wish all our friends, colleagues and clients a great Christmas and well-deserved New Year's break. NDA will be closing for Christmas on Thursday December 22 and re-opening on Monday January 9.

A suggestion for your Christmas donation

As in previous years we will not be sending Christmas cards but will instead make a donation to charity. It is always difficult knowing who to donate to as there are so many worthy causes, however this year the task was much easier.

A Tasmanian charity for Nepalese orphans

A recent NDA project management course was attended by a longstanding client. He told me about his daughter who spent three months working in Nepal as a volunteer nurse. She met a man, himself an orphan, who provides accommodation, clothing and education for ten orphaned Nepalese children.

Our client visited the project and took it on himself to raise sufficient funds to keep it going for a year.

This is a project where you can see your contribution going straight to the target and creating maximum benefits, with no overheads in administration.
